

Enabling your
next discovery

Save 17.5% on the purchase of select Barnstead water purification systems

and get an additional one-year warranty*

Pure water is elemental to the success of your experiments. But finding the right water system for your research goes deeper than water quality alone. You need a choice that supports both your science and your budget—not only on day one, but with every cartridge and filter change. One that reflects 130 years of innovations, like feedwater monitoring, hands-free dispensing, and effortless cartridge change-outs. With a Thermo Scientific™ Barnstead™ lab water system, the only thing you'll have in your water is confidence.

Barnstead™ GenPure™ Pro Water Purification System
