## Buy more, save more

Buy 3 qualifying cases of Nalgene narrow-mouth or wide-mouth HDPE bottles, get 1 case, OR buy 5 cases, get 2 cases at no additional cost\*

### Made in the USA: Nalgene leakproof, lab-quality bottles

Store, ship, and package liquids using highly reliable and durable Thermo Scientific™ Nalgene™ narrow-mouth and wide-mouth HDPE lab quality bottles with closure. These semi-rigid, translucent/amber all-purpose bottles are specifically designed for long-term, demanding lab use and offer excellent chemical resistance. Made only from high-quality, laboratory-grade plastic materials for dependably low leachables and extractables.

#### Nalgene HDPE bottles

Square	175 mL	Natural	2114-0006
Square	250 mL	Natural	2114-0008
Square	500 mL	Natural	2114-0016
Square	1 L	Natural	2114-0032

\*Valid in the United States (excluding Puerto Rico) and Canada on orders of 3 or 5 cases in a single purchase order. The case(s) at no additional charge will be of equal or lesser value than the purchased cases. Offer applies to orders received between April 1, 2020 and December 31, 2020 and only in connection with the products identified above. Please consult your local sales representative or visit website for redemption details. Specifications, terms and pricing are subject to change. Not all products are available in all countries. Cannot be combined with other discounts or promotions. Offer void where prohibited, licensed or restricted by federal, state, provincial, or local laws or regulation or agency/institutional policy. Other restrictions may apply. Customer acknowledges that this offer may include a discount or other price reduction that must be properly and accurately accounted for and reported by customer in accordance with all federal and state laws, including without limitation the federal anti-kickback law (42 C.F.R. § 1320a-7b(b)(3)(A)) and regulations thereunder (42 C.F.R. §1001.952(h)).

Item at no additional cost must be of equal or lesser value than purchased item.

Available April 1 through December 31, 2020.
