

# Spring into summer with more capacity for less

Need a solution to protect your most valuable samples?  
Want something fast, reliable and available to ship in 5 days?

**TSX High Performance Manual Defrost Freezer**

Take advantage of special savings on our most popular sizes of Thermo Scientific™ TSX Series High Performance Refrigerators and Freezers! The TSX Series provides reliable sample protection for every sample type. Choose between our 30 cubic foot refrigerator or manual defrost freezer and get it fast!

### TSX Refrigerators

Our high-performance solid door refrigerators combine advanced temperature control with high-quality cabinet construction. Positive, forced-air circulation maintains proper temperature uniformity, enabling the protection of important medical and pharmaceutical-products as well as laboratory media, reagents and more.

### TSX Manual Defrost Freezers

Designed for applications in which a slight cabinet warming during an auto defrost cannot be tolerated, the TSX Series Manual Defrost Freezers provide precise temperature control and stability throughout the chamber.
