

Winter is coming - bundle up and save.

Discover special pricing for robust and reliable Thermo Scientific TDE Series Ultra-Low Temperature Freezers*

Thermo Scientific™ TDE Series Ultra-Low Temperature Freezers are designed with performance and energy savings in mind. For a limited time, get special pricing on selected upright models and shipping within 5 days of your order.**

Sustainability doesn't mean sacrifice— Thermo Scientific TDE ULT freezers offer:

- Hydrocarbon refrigerants that reduce CO₂ emissions by more than 30%, complying with the US Environmental Protection Agency (EPA) Significant New Alternatives Policy (SNAP) program
- Environmentally friendly, SNAP Compliant insulation
- Decreased energy usage and cost by more than 50%†
- My Green Lab® ACT® Environmental Impact Factor Labels on all units, emphasizing instrument sustainability
- Fast recovery after door openings
- Tight temperature performance with low peak variation
- The TDE series utilizes a five inner door configuration
- Easy to use, touchscreen interface
- Five-year parts and labor warranty

† Data are in comparison to an average 10-year time span, as well as in comparison to a unit using ozone-depleting refrigerants.

Available
October 1-December 30, 2022
