TSX ULT Freezers

New Year, New Savings with Thermo Scientific TSX Ultra-Low Temperature Freezers

Save on select energy-efficient models
through March 31, 2023

Thermo Scientific™ ultra-low temperature freezers utilize the latest technology to provide sample protection, energy savings, and more capacity than ever before, while providing a better working environment with less heat output and quiet operation. All units are SNAP-compliant, ACT label and ENERGY STAR® certified.

Sustainability doesn't mean sacrifice: Our cold storage solution is the best of all worlds:

- SNAP compliant natural, non-hydrofluorocarbon refrigerants that reduce CO₂ emissions by over 30%*
- Energy usage and cost reduced by over 50% (All TSX units Energy Star Certified)*
- ACT labeled, created by non-profit My Green Lab to help you make smart, sustainable product choice*
- Fast recovery after door openings
- Tight temperature performance with low peak variation
- Whisper quiet with low heat output and 25% more capacity*

*in comparison to an average 10 year plus unit with ozone depleting refrigerants.

Available
January 1, 2023 through
March 31, 2023
