* Valid in the U.S. (excluding Puerto Rico) and Canada for orders placed between July 1, 2021, and December 31, 2021, or until promotional supplies are depleted, whichever comes first and only in connection with products identified above. Suppliers of Life Science products are not eligible to participate in this promotion. Determination of eligibility is at the sole discretion of Thermo Fisher Scientific. Customer may trade in and purchase at a discount a maximum of 5 instruments during the promotion period. Trade-ins and purchased instruments must be submitted on a one-to-one trade-to-purchase basis to be considered eligible for the program. Customer must request a trade-in at the time the order for the new instrument is placed. This promotion is available only for purchases of new eligible instruments. Trade-in instruments must be returned to Thermo Fisher Scientific within 30 days following installation of the new instrument. Where necessary, customer agrees to allow a Thermo Fisher Scientific field service representative to de-install the instrument from their facilities. Discount will apply to the list price in effect at the time the order is received by Thermo Fisher Scientific. Prior to return, customer will fully clean the customer's trade-in unit and decontaminate it of radioactive, biological, toxic, and other dangerous or hazardous materials or substances and, if requested by Thermo Fisher Scientific, customer agrees to complete and return a Certificate of Decontamination to Thermo Fisher Scientific. Actual savings may vary, subject to dealer participation. Cannot be combined with other discounts or promotions. Offer void where prohibited, licensed, or restricted by federal, state, provincial, or local laws or regulation or agency/institutional policy. Other restrictions may apply. This promotion is not available to our current or potential health care customers. Health care customers include any health care practitioner, other health care provider, or any individual or organization authorized to prescribe, dispense, purchase, or influence the acquisition or use of medical devices or supplies for clinical use. Health care customers include, without limitation, any "Health Care Practitioner" under the Massachusetts Marketing Code of Conduct Law (defined at 105 C.M.R. §907.004) or a "Health Care Provider" under the Vermont Prescribed Products Gift Ban and Disclosure Law (defined at Vt. Stat. Ann. tit. 18, §4631a(8)). By participating in this promotion, you warrant that you are not a current or potential health care customer. Thermo Fisher Scientific reserves the right to determine your status in the event of a dispute.
